

Používáme bezdrátové zařízení v rozsahu 488.175 - 664.675 MHz. V případě jejich rušení jiným pódiovým zařízením, požadujeme úpravu frekvencí, nebo vypnutí techniky na straně majitele těchto zařízení.

We use wireless devices in the range 488.175 - 664.675 MHz. In case of interference by other podium equipment, we require frequency adjustment, or shutdown of the technique on the part of the owner of these devices.

WHAT WE NEED:

- CAT5 - RJ45 from drum reiser on stage to FOH
- 2 x XLR to main PA
- 7 x 6 m XLR mic cable
- 4 x 15 m XLR mic cable
- 8 x boom mic stand
- 1 x short mic stand

ALL MONITORS IN-EAR
ALL MICS OWN
